BUYER/SELLER CONTRACT

1. Seller will provide the buyer with all applicable paperwork.

2. If you choose to register your puppy, we require that the name "Sweet Valley Acres" is included in your puppy's name.

2. Puppies are vet checked and up to date on core vaccines when they come to you at 8 weeks or older. They have also been dewormed at approx. 2, 4, and 6 weeks. The seller will provide a puppy health record with exact dates and other vet/medical history.

3. All puppies purchased through Sweet Valley Acres come with a health guarantee. If, within seven days following the sale of a puppy, a veterinarian of the buyer's choosing certifies the puppy to be unfit for purchase due to illness or the presence of signs of contagious or infectious disease, or within one year the veterinarian certifies the existence of congenital malformation or hereditary disease, the buyer has the following options:

- the right to return the puppy and receive a full refund of the purchase price, including sales tax, and reasonable veterinary fees related to certification under this section. A veterinary finding of intestinal parasites is not grounds for declaring a puppy unfit, nor is an injury or illness sustained subsequent to the buyer taking possession of a puppy.

- the right to return the puppy and receive an exchange puppy of the consumer's choice of equivalent value, and reasonable veterinary costs related to certification under this subsection.

- the right to retain the puppy and receive reimbursement from the seller for reasonable veterinary service for the purpose of curing or attempting to cure the puppy. In no case shall this service exceed the purchase price of the puppy. Value of service is reasonable if it compares to similar service rendered by other veterinarians in the area, but in no case may it cover costs not directly related to the certification of unfitness.

These options do not apply where Seller, who has provided a health certificate issued by a veterinarian, discloses in writing at the time of sale the health problem for which the Buyer later seeks to return the dog.

Refund or reimbursement shall be made within ten business days following receipt of the signed veterinary certification. The certification shall be presented to the seller within three business days by the buyer.

5. Vermont Rabies Vaccination and Licensing Laws

Dogs, cats, ferrets and wolf/hybrids must be vaccinated against rabies by a licensed veterinarian using a rabies vaccine approved for use in Vermont. Owners will be given a rabies tag and a certificate. Rabies vaccine should be given as soon as possible after three (3) months of age. Dogs and wolf/hybrids six (6) months of age or older must be licensed with the Town Clerk on or before April 1 of each year. A rabies certificate signed by a licensed veterinarian is required. The license fee is less if a certificate of neutering signed by a veterinarian is provided.

4. Seller does NOT guarantee against diarrhea, ear mites, wormy stool, parasites, common viruses, pneumonia, or any other common condition a dog can pick up anywhere unless they are determined by your vet to have been sustained before the puppy left our care. Seller has no control over the above when the puppy leaves our care.

5. If you decide to neuter/spay your puppy, we highly recommend that you wait till they are 2 years old. Doing it before then can interfere with healthy growth of developing joints.
6. Your puppy is used to eating TLC Pet Food. You will be receiving more info on TLC. We would strongly recommend that you keep your puppy on this food at least for the first 6 months that they live with you to make the transition to their new home smoother and provide optimum nutrition.
7. Your puppy will also be on NuVet Labs Plus supplement. We would also strongly encourage keeping them on this for at least the first year to get them off to a healthy start and give them a head start on building their immune system.
8. A \$400 Deposit (Cash, Venmo, or Check) is required to reserve the puppy you choose. This deposit goes toward the total purchase price of the puppy. This is a non-refundable deposit unless otherwise noted in writing. NO checks will be accepted after the litter is 5 weeks old.
9. Vermont sales tax of 6% will be added to the total price of the puppy.
10. While we will do our best to help you choose a puppy that will fit best with your situation, we do not guarantee personality as this has much to do with how a puppy is raised.
11. You have up to 10 days after the date the puppies can leave their mom (or after you place a deposit, whichever is later) to be able to pick up your puppy. After that, a boarding fee will be charged until the time you can pick up your puppy. Boarding fees are \$15.00/day unless otherwise agreed upon.
12. We love to keep up to date with our puppies progress. Please send us pictures sometimes! We appreciate them anytime and won't care if they even come weekly!

BUYER'S RESPONSIBILITY

The Buyer agrees to take good care of this dog, feed and house the dog properly, maintain shots, control the dog on a harness or leash when in public and when off premises of dog's home. Buyer agrees to give the dog proper physical and emotional care and welfare. Buyer agrees never to abuse this dog. Buyer agrees to NOT permanently keep this dog in a kennel. The death, injury, or loss of said dog due to theft, carelessness, recklessness, abuse, neglect, heat stroke, or accident will not entitle the Buyer to any compensation from the Seller.

This is the entire agreement between the Seller and Buyer and is valid and agreed to by both parties. Both parties have read and understood and agreed to this contract in full by signing below.
